BRIEF INTRODUCTION OF YOURSELF [max 10 sentences]	My name is Magali, and I'm proud to represent France at the World Games this August. I've been competing in Lifesaving for 12 years, following an earlier sports career in swimming, where I represented my country at the 2008 Beijing Olympics in the 200m butterfly. I balance my time between high-level training and my professional work as a freelance data science and AI specialist. Since 2013, I've won five gold medals at the World Games, and this year's event in Chengdu will be my final international competition. Beyond the medals, I truly value the spirit of sportsmanship and the friendships built with athletes from around the world. Earlier this year, I was honored to be elected by my fellow athletes to represent them at the national level within our federation. I'm excited to take part in this incredible event, which I know will be unforgettable. Thank you for supporting us on this amazing journey.
